Jackson Woman Finds a Baby on Her Doorstep

AND PROMPTLY ADOPTS HIM

The Event Causes Excitement in Social Circles and Persons Wonder "Who She Can Be?"

JACKSON, Oct. 31.—Mr. and Mrs. S. H. Opdyke, No. 113 West Washington street, have a plot for a sensational novel. Last evening at 6 o'clock a basket containing a baby was found on the front stoop of a double-fronted house containing a baby. Near the basket was a large envelope containing a baby's wardrobe that Ruth Cleveland need not make faces at. Nothing was lacking, even to needles and thread.

Accompanying the basket was a letter. The envelope has no address only "Born September 2, 1922." On the page inside was written: "Take this child. It has no home. Take it and may God bless you for your kindness to my boy." The letter was signed "Yours in C."

The penmanship was elegant and the punctuation perfect. Mrs. Opdyke was asked what she would do with the little chap, which lay in her arms holding on to a bottle.

"Oh! Why, I shall keep the baby, of course. Wouldn't you?" she said. "Neighbors who saw the baby left say it came in a top buggy drawn by a dark horse and that two people were in the rig. In the hurry of getting away a pauper's child and other articles were dropped in the yard."

CONVICTS IMPROVING. Davis is Crippled for Life, Huntly May Die.

JACKSON, Oct. 31.—The condition of the two convicts, Huntly and Davis, wounded last August, as reported by Dr. Kimball, is that Davis' wound has entirely healed. The top of the thigh bone was shot off by the bullet and he will be left a cripple. Huntly's wound has nearly healed but had to be opened a day or two ago, when several pieces of bone came out. Huntly was shot through the back on the right side and the wound was fatal. It is hardly thought possible that Huntly can recover.

TYPHOID AT WHIRLING. An Epidemic Has the Town in Its Grasp.

SUFFERING, Oct. 31.—The typhoid fever epidemic is still on, with no signs of abatement. Over 100 cases have been reported; four deaths resulted today. Poor sewerage is doubtless the cause. The snow of yesterday was greeted at the end of the epidemic, but today it again turned warm and additional cases are again looked for. Cold weather alone can abate the loss of life.

BERNARD & GAY FURNITURE CO.

DISCOURAGED.

No Woman Will Be on Heading This.

A lady, who for years had suffered from nervous weakness, headache, backache, excessive nervousness, and who complained of feeling tired all of the time, disheartened at repeated failures to find relief, exclaimed:

"I am discouraged, and I suppose I must drag out the rest of my life feeling wretched and miserable."

A sympathetic friend encouraged her with words of hope. "There is one thing you have not yet used—the great nerve and health restorative, Dr. Greene's Nervura blood and nerve remedy. This wonderful discovery cured me, and I am sure it will cure you."

There are thousands of women who need the same encouragement. Women should not neglect their health for good health is a woman's greatest blessing. If they will use this remarkable female invigorator, this strengthener of the nerves, invigorator of the blood and regulator of the kidneys, liver and bowels, it will certainly restore health, strength and vigor. Purely vegetable and harmless. Druggists, \$1.00.

"I deem it my duty to say that I think Dr. Greene's Nervura blood and nerve remedy the best medicine in the world. My kidneys were in a terrible state, and had awful pains in the back and side, and could not sleep at night. My headache was a constant source of annoyance and I suffered much at certain periods. I cannot speak too highly of this wonderful remedy, for it cured me of my terrible complaints. Why, I felt so miserable that I often thought I would take my own life. I thank God for directing me to Dr. Greene's Nervura blood and nerve remedy."

Mrs. LILIA C. ROY, 35 Elm street, New Bedford, Mass.

Call or write him about your case, or send for symptom blank to fill out, and a letter, fully explaining your disease, giving advice, etc., will be returned free.

Amusements. The May Russell Burlesque company is playing to enormous audiences at the Grand. The entertainment offered is certainly clean and wholesome and free from the coarseness which is sometimes looked for in a specialty program. The opening burlesque, "The Fashion Party," moves briskly and merrily and is full of catchy airs and eccentric wit and winds up with the girls of the company in a march, which is given with spirit and precision. Among the specialties are Marcus Doyle in a neat Irish turn, in which he appears to excellent advantage as a dancer. Fish and Richmond do a hilarious acrobatic sketch. Pauline Batouelle is a very earnest little woman and has succeeded in winning the good graces of the patronage by her well chosen topical songs. She sings with unusually clear enunciation, an accomplishment that many singers might well emulate. Odell and Page in their lively act on the silence and fun order present something that is not only highly artistic in an acrobatic way, but at the same time original and irresistibly funny in the manner in which it is executed. They made a great hit. Zamora does wonders, accomplishes feats that thrill to the core on the trapeze and suspended pole. The concluding musical farce "Divorce" is ridiculously funny. Mr. Tierney being particularly clever as the Irish judge. The first matinee will be given today.

The opening comedy at Smith's last night "A Jolly Party" was one of the best that the company has given this season. Joe Chisney had a number of new Irish songs and Lola Heywood also rendered some new selections. The many tableaux presented by the women of the company were quite attractive. Other features were C. J. Gregory who does much that seems incredible in a gymnastic way; Howard and Marono in good character sketches; Harry DeVere an odd musical comedian; E. J. Holland in daring feats on the suspended perch and Martine and Holland on the revolving aerial ladder. Matinees Wednesday Friday and Saturday.

Fred Hunter arrived at the Morton on Sunday and will be busy this week attending to the preliminary work necessary to the opening of "The Union" at the Grand next Sunday evening. He has with him a letter from that prime of truth-tellers, Manager Ed H. Salter, stating that the company is even better than the one which the patrons of the Grand liked so well last season. We shall see some new faces and a Swedish quartet, which has "banned" its country sex week" having arrived the middle of September.

A BOLD MOVE

Crushing Blow to High Prices for Medical Service.

Doctors Who Believe the People Are Robbed.

A Plan for Medical Treatment That Is Very Popular.

Sure to Result in Benefits to the Public.

An Interesting Proposition.

On the first of last month Drs. Copeland and Graham announced that they would treat patients for any disease whatever for the sum of five dollars per month until cured, and furnish free the medicines required for each case.

This was an innovation in the medical practice of Grand Rapids and it is not at all surprising that hundreds of people took advantage of the offer.

The proposition was made in the first place to enable Drs. Copeland and Graham to demonstrate their ability in treating all chronic diseases, and in the second place, to strike a blow at the high prices that have prevailed in this community for medical service.

It is for these reasons that Drs. Copeland and Graham now decide to continue that rate. The plan has become popular and, yielding to a general demand, it is continued. The following proposition is therefore made:

To Our Friends and the Public: Yielding to a general demand and for reasons previously given, we have decided to extend, until December 1, the offer made on the 1st of October to treat all diseases at the rate of five dollars a month.

This offer applies to all old patients receiving treatment, as well as to new patients, and is good from this date forward, until December 1st.

The high price charged for medical treatment are so exorbitant that a move of this kind, though bold, is certain to bring beneficial results. We desire that everybody shall share in these results, and respectfully invite everybody suffering from any chronic disease to call upon us, assuring them that positively no more will be asked or charged, and that this offer covers everything.

W. H. COPELAND, M. D. W. T. GRAHAM, M. D.

MARVELOUS RESULTS. A Complete Cure Where All Other Physicians Had Failed.

"I feel under lasting obligations to Drs. Copeland and Graham, because, with them, in one month, an attack of five dollars only, I have obtained a complete cure of catarrh of the bladder, which had been a source of suffering for many years, and which had cost me hundreds of dollars for treatment."

The speaker was Mr. Goldsmith, who resides at 115 Jefferson avenue. His statement is particularly interesting as it is not only a shining example of a cure, but a case of a disease that is exceedingly common and very painful, but does not attract much attention, and is often the cause of the same and the expense of the individual in attempting to obtain a cure.
